20⁺
HOURS/WEEK

Business owners spend **20+ hours/week** on non-revenue generating responsibilities

4.2
ROLES

Owners take on an average **4.2 roles** including leader, finance, communicator, HR²

80% OF SMALL BUSINESSES are not taking full advantage of digital tools.⁴

SECURITY IS EATING UP MORE TIME & RESOURCES

75%
OF ALL CRIMES

are theft and burglary³

15%⁺
INCREASE

in theft costs annually⁵

7%
OF REVENUE

every year is lost to theft⁴

50% SAY ACCESS CONTROL is now more important.⁶

A Quick-Win Solution: Smart Access Control

SAVE TIME

No more hassles with keys, visitor access, or knowing if facility was secured. Keep focused on revenue generation!

NO MORE KEYS

Keys are a pain, easily lost, and copied. Gain valuable data and analytics on facility usage

ENHANCE IMAGE

Modern, smart solutions add convenience and improve facility image

ADD SECURITY

Secure more doors to protect your employees and assets while reducing your risk

SimpleAccess: A Better Way to Upgrade

The only solution that offloads the burden of designing, installing and managing a smart access control project, so you can focus on growing your business.

LOWER UPFRONT COSTS

Uses latest access control technologies to add convenience, savings, and enhance image

START TO FINISH SERVICE

Our experts manage the details for you, so you aren't burdened with another project to manage or hat to wear

ON-GOING SUPPORT

Dedicated advisors help you make the most of your system. We will check back and make sure things are operating successfully

CONVENIENCE & PEACE OF MIND

Simplify staff access with convenient options, and worry less with remote management & notifications

Traditional Projects: You Do All The Work

The traditional upgrade path is cumbersome. Hardware selection, finding an installer you trust, and maintaining your system all fall on you.

LONG, UNCERTAIN, AND YOU OWN NEARLY ALL OF IT

The SimpleAccess Advantage

With SimpleAccess, our experts manage design, implementation and support – so you stay focused on your business.

OUR HASSLE-FREE PROCESS FROM START TO FINISH
